Another very successful Av'a G'day

(Pictures courtesy Melody Bird-Harding, Linda Beard, Bob Laing and WW Editor)

On behalf of the committee of the Walpole CRC, I would like to congratulate all those involved in Friday's very successful Av'a G'day and Australia Day event. We were very grateful to have the Shire of Manjimup involved to make it a very special day with

Citizenship Awards and funding for extra entertainment. Congratulations to all our local citizen nominees and to the Walpole Yacht Club for their well deserved award. Linda Beard as usual had the program

We welcome your opinion

The *Walpole Weekly* values freedom of expression and welcomes contributions and feedback from readers via letter or email on any topic of community interest:

- 1) All content submitted for publication must provide full name and contact details.
- 2) If the writer wishes to remain anonymous, the words "Name withheld by request" will be used in the byline.
- 3) Any content published may be edited to enhance flow, clarity, spelling, and grammar—not facts or meaning—therefore the writer should carefully check facts and consider their choice of words.
- 4) Should content be deemed by the Editor to be too long, incomprehensible, libelous, illegal, or incite a sensitive issue, then it will not be published.
- 5) In the case of content being rejected, the writer/s will be notified of the decision by the Editor.
- 6) Should the writer dispute the Editor's decision they should take it up in writing with the Management Committee of Walpole CRC.
- 7) The Management Committee will make the final decision on whether or not to publish the content in the next available edition of the *Weekly*.

Positive public response to the tree lighting trial

I wanted to report on the very positive public response to the tree lighting trial at the junction of North Walpole Road and the South West Highway over Christmas.

There were three facebook posts about the Tree lighting on Walpole People. Each post received between 39 and 44 likes and up to 12 supportive comments. One or two comments sought more information. The CDG also received three emails, two in support and one against.

The following is a selection of typical comments from email and Walpole People:

- *Simple, probably not too expensive to make into permanent feature, very effective. Highlights our natural entry to the town, without brass and glass or glitz. Says it all without one word. This positive support would also surely save the triangle and leave it as is. Best suggestion put into action in over 20 years. Complements the timber logs. Congratulations CDG.*
- *They look great lit up like that. Well done CDG team I truly hope the Shire of Manjimup take on this project.*

Our understanding is that the Shire's application for a clearing permit for trees along the southern end of the North Walpole road has not been granted. There will need to be further discussion with the Shire about the upgrade of the North Walpole Road and the intersection.

The CDG would like to thank Peter Newton of the SES and Richard Williams of Wyadup Electrics for their support in conducting the trial.

Based on the strongly positive community feedback, the Shire has offered technical support and suggested that the CDG apply for a Community Grant to establish a more permanent lighting setup. We'll keep you posted.

- Matt Wrigley, Chair CDG.

Letters to the Editor

Call to Arms - 'Australian Defence' responds

Readers may be excused if they do not remember my letter to the Editor titled 'Call To Arms' appearing in the 22nd March 2017 edition of the *Walpole Weekly*.

This letter was prompted by an ABC news report of Australian Defence Force's Royal Australian Air Force bombing of IS targets within Syria, and claiming, the RAAF did not collect, hold or publish information of civilian casualties - a conflict, we at St George's Walpole, were much in prayer over.

In my letter I gave notice to the Editor that I had written to the Member for O'Connor, the Honourable Rick Wilson MP, seeking clarification on this claim. Unfortunately, due to an incorrect postal address given to me by an independent source, our concerns did not come before the Minister until the 8th December. Nevertheless, on its reception, I am pleased to say there was an immediate response from Mr Wilson's Office.

Mr Wilson in his letter to me said, "I assure you this is a serious enquiry and as soon as your letter was received I made representation on your behalf with the Minister for Defence." Mr Wilson advised me the ADF takes allegations of civilian casualties seriously and has a strict reporting and investigative processes in place.

Mr Wilson continued, "The ADF has independently published a fortnightly report on Australian air strikes summarising targets and locations engaged by Australian aircraft in Iraq and Syria. These reports are available on the Defence website: <http://www.defence.gov.au/Operations/Okra/FortnightlyReports.asp> Also on this Defence website ADF Reporting and Investigative Processes are provided.

Mr Wilson said he has been assured there are no credible reports of civilian casualties caused by the Australian Air Group in Syria.

We are served well by our democracy and the good men and women who serve as our representatives in Government allowing freedom of inquiry and transparency of information, and I am grateful to the Ministers referred to above for their ready response on this matter of our nation's military engagement.

Jennifer Obourne, Electoral Officer thanked me for our prayers for all caught up in the Syrian conflict, and I can assure her that all men and women of faith in our community will seek to continue to be faithful in this duty of prayer.

well organised with much help from Helen Webster and many other volunteers. Thank you Linda and all the workers.

I would like to make special mention of the excellent help given to us by the men from the Walpole Work Camp who contributed so much to the smooth running and success of the day. Their cheerful and enthusiastic attention to the work required was greatly appreciated by the CRC staff and committee. It was great to work with you.

It was good to see the delicious entries in the cooking competition and congratulations to the winners. Thanks also to Tony Boyle who again entertained with working sheep dogs. The shearers are always a drawcard.

To all the stall holders and other contributors, a big thank you for your support in making the day a success.

DFES Marine Volunteer Trainer/Assessors undertake training

Last weekend from Friday evening through to Sunday afternoon saw DFES Marine Volunteer Trainer/Assessors undertake training to enable them to deliver a number of units of competency in the DFES/VMRWA training pathways that enable Volunteers to crew rescue vessels and ultimately be in command of these vessels as Master or in colloquial terms, Skipper.

The participants (Students) came from Albany Sea Rescue Squad, Denmark Sea Rescue Group, Walpole Volunteer Marine Rescue (Louise, Leigh and Bernie), Windy Harbour Volunteer Marine Rescue, Augusta Volunteer Marine Rescue and Rockingham Volunteer Marine Rescue Groups.

The course was presented by Simon from DFES Marine, Dan the VMRWA Mid West Regional Commander VMRWA and myself South Coast/Great Southern Regional Commander VMRWA as part of a core training team.

The "bit" that most people may have noticed was the abandon ship and life raft drills that were conducted in the murky waters at the end of the town jetty.

On Saturday afternoon this group were also paid a visit by the DFES Commissioner Mr. Darren Klemm and the SW DFES Superintendent John Tillman AFSM who were in town for the SES opening. They stayed for a BBQ dinner and spoke with the various VMR Volunteers on a range of subjects.

By the end of the weekend all participants had been endorsed to deliver the units that were presented to them.

development of Pemberton Mountain Bike Park trails. As a result the prestigious Karri Cup bike event attracts local and international riders and is a great opportunity to showcase the many attractions in the region.

Walpole Yacht Club - Ian (Tari) Tarbotton and Senior Citizen of the Year Nominee - Ian Payton

Congratulations to the Walpole Yacht Club for their Community Group / Event Award, Ian (Tari) Tarbotton gave a great acceptance speech - spot on!!

As part of the official ceremony Rob V sang two verses of the National Anthem and Peter Blyth recited a poem. Shire President, Paul Omodei, led an Australia Day affirmation. Guest speaker Gary Muir concluded the formalities with a rousing speech.

This event was funded by Lotterywest, Shire of Manjimup and Walpole CRC, supported by Walpole Quality Meats and Walpole IGA. It was a celebration of the wonderful country in which we live, the communities we live and work in and the freedom and liberty which we, Australian citizens are fortunate to enjoy.

The market stalls were popular, the crowd was entertained by soloist Rob V and Australian Bush Poet Peter Blyth. Children's attractions such as the petting zoo, Lions train, bouncy castle and face painting, meant there was something for everyone.

A big thank you to our Walpole Community Resource Centre team who served approximately 340 burgers, and made my job - organising the entertainment and ensuring all went smoothly on the day - a pleasure.

Thank you to John at Walpole Quality Meats for the burger patties and Neal at Walpole IGA for getting up at 4am to bake the buns - a stellar effort. Many thanks to the Walpole Work Camp for assistance once again with the heavy lifting and additional support with food preparation. Finally a big thank you to the community for supporting events such as this.

Annual Community Grants Round 2018-2019

The Shire of Manjimup's annual community grants round for 2018/19 opens Monday, 12th February 2018, allowing another opportunity for community groups and organisations to seek funding for projects, events or activities.

Each year Council allocates up to 2% of the Shire's previous year's rates income back to the community by way of grants. Last year this equated to \$165,898 in cash support for local events, sports clubs, community centres, art projects, community gardens, youth zones and more.

It is a great opportunity for groups, however they are required to be incorporated to receive funds. Groups which are not incorporated are still able to apply but must nominate the name and ABN details of an organisation to receive funds on their behalf, if successful.

The annual round of community grants is an extremely worthwhile exercise for organisations to seek funding. Shire President Paul Omodei said "Funding is available under three categories: events, community projects and youth. We know the funding can be essential to the success of community events and projects." Cr Omodei added "If you think you have a worthy idea let us hear about it."

Application forms can be downloaded from the Shire's website, picked up from the Shire Administration Centre, or from the Manjimup, Pemberton, Northcliffe and Walpole Community Resource Centres and public libraries.

Applications close at 4pm on Friday, 6th April 2018. For more information about community grants please contact Michelle McGinty, Community Services Administration Officer on 9771 7701, via email on info@manjimup.wa.gov.au or view the community grants webpage (<http://www.manjimup.wa.gov.au/our-services/community-development/Pages/community-grants.aspx>).

Feedback sought

We at the Walpole Community Resource Centre Inc look forward to hosting events such as Av'a G'day in Walpole. To continue this and meet the requirements of the grants and funding received to make it possible, we are required to provide community feedback.

It would be helpful if you could take a few minutes to complete this form and return it to us at the Walpole CRC. You can do this in person, by mail (PO Box 197 Walpole 6398), via email (crc@walpole.org.au), or by placing in the box at the rear of the Walpole CRC building.

Feedback for Av'a G'day in Walpole 2018

1) Overall, how would you rate the event?

(1 excellent to 5 terrible)

1 2 3 4 5

2) Please rate the following aspects of the event:

A) Date and time	1	2	3	4	5
B) Location	1	2	3	4	5
C) Sound	1	2	3	4	5
D) Entertainment	1	2	3	4	5
E) Burgers	1	2	3	4	5

3) What did you like most about the event?

4) What did you like least about the event?

5) How do you think this event could have been improved?

6) Based on your experience at this event, how likely are you to attend future events?

(1 most likely to 5 definitely not)

1 2 3 4 5

Do you have any other suggestions or comments to help us improve our future events?

Local performers lead celebrations

It was a spectacular event! Over 150 people joined with local band 'Dig the Dust' and soloist Leanna Shoveller to celebrate the completion of Walpole's community garden with a magnificent family concert in the amphitheatre.

And what a celebration. It was in a perfect setting...dancing, singing, laughing, chatting, kids playing.

Young students, who are under the tuition of Rob Vermeulen, lead singer of 'Dig the Dust', were given the opportunity to enjoy the experience of performing and had the audience impressed and enthralled.

Flowering wild in Walpole

It is impossible at this time of year not to mention *Corymbia Ficifolia*. Indigenous to this area, particularly slightly east of Walpole, it originated between here and Albany, however it is now grown in many parts of the world for its striking flowers. Most people would have noticed the variability in flower colour with bright red to scarlet to pink, orange or even an apricot version. I have heard comments on how the soil type might influence the colour but wasn't sold on this since even in our Main Street varying colours will grow next to each other. Research tells us that there is great genetic variability in this species in regard to height and flower colour. So growing it from seed is like opening that box of chocolates... you never know what you are going to get.

Eucalyptus Ficifolia is one of 3 bloodwoods and the bark is usually brown to dark grey. It can grow 10 - 15 metres tall, however sometimes will grow as a small Mallee-like tree once again due to genetic variability. Commercially, nurseries are attempting to produce hybrid varieties that are more predictable in colour and height. Personally I'd rather embrace the surprise element.

Information sharing session on the Western Australian plastic bag ban

The Department of Water and Environmental Regulation, in partnership with the Boomerang Alliance, invites you to attend an information sharing session on the Western Australian plastic bag ban.

Where: Master Builders Association Training & Function Centre
30 Graham Road, Albany

When: Tuesday 20 February

Time: 6:00–7:30pm

Please register your attendance via email at les@mpcom.com.au or phone 0412 770 193

Please share this invitation with others who may be interested in learning more about the plastic bag ban.

Light refreshments will be provided.

We look forward to seeing you there.

Simple small actions adding up to make a big difference

The Plastic Reduction Denmark group are back in action entering their third year of initiatives.

Last Friday they had a stall outside IGA X-press (see picture above) encouraging the use of plastic bag alternates. There were lots of great encouraging conversations with their gentle approach to positive behavioural change.

Thanks to the store owners Anton and Maryann Perak for their ongoing support.

With the WA ban on single use plastic shopping bags fast approaching, the group is concentrating efforts on the smaller, fruit/veg/nut bags made from upcycled netting (see picture below).

If that isn't enough, the group is also taking on the challenge of encouraging a reduction in disposable take-away cups. They are collecting them at present to replace the plastic bags in their educational art piece, the giant Freddo Fin fish (he is currently at Denmark Community Resource Centre).

It is staggering that Australians use almost three million cups a day and whilst some councils will take lids and a percentage of cups into the recycling stream, most don't make in into the recycle bins and therefore end up in landfill. One brave café in Perth that has totally banned takeaway cups, estimates that it has prevented the use of around 70,000 disposable cups in 12 months, with no negative impacts on their business. Whether it is single use plastic bags or disposable cups, as consumers we are very powerful with our choices. Can you Refuse To Use?

School Holiday Program

The Walpole CRC has held another successful school holiday program over the past five weeks.

Children were treated to an array of different activities from cooking classes with Helen Webster to arts and craft mornings with Miss Everett.

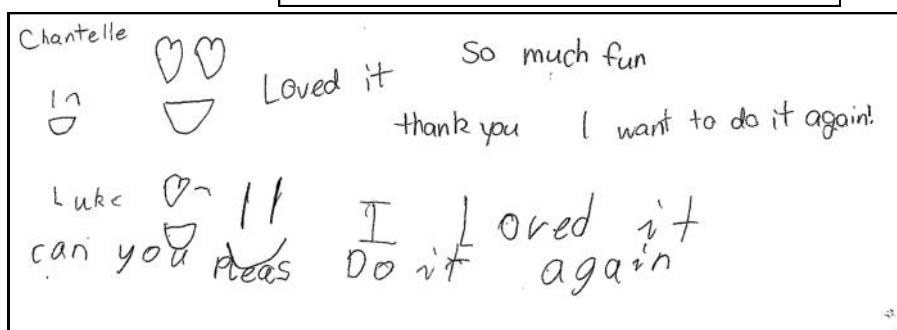

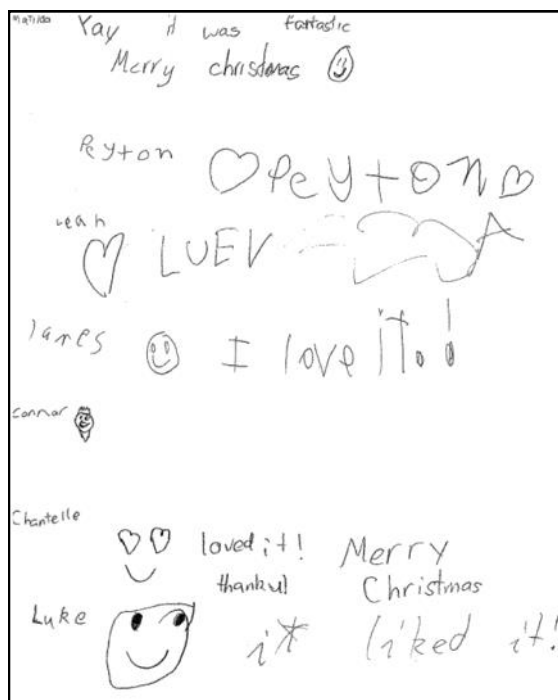

Being a part of the local community is what the CRC stands for and having these school holiday activities is a chance to bring the local children and holiday families together.

The children made kites, painted ceramic mugs and cooked delicious homemade savoury muffins which we at the CRC got to sample and they were delicious.

We look forward to holding more of these activities over the next year and would like to say thank you to all who contributed and the parents who stayed back and assisted. Happy holidays everybody.

- Melody Bird-Harding

Bowls

Last week we played Mixed Club 4s. With only nine players we played in 3s with Graham Becker, Ann Armstrong and Trish Crossley the winners. We would like to have more people come along to these days as we all have a lot of fun.

This Wednesday is Mixed Championship Pairs. Choose your own partner with a 9.30am start. We hope to have a good field.

Looking ahead to our games we have Ladies and Men's Championship 4s Wednesday, 7th February CYO at 9.30am, then Sunday, 11th February we have our Burton Realty Men's Open Day of 4s split pairs CYO. Put your teams in to Damien as soon as possible for a great day of bowls.

Ladies are doing very well with pennants, leading the ladder in 2nd division with two games to play.

- Raelene Vigus

Golf

Sunday 28/01/18

Winner: Pat Burton 45 Points
 R/Up: Merv Hull 44 Points
 NTPin 7: M Hull
 13: M Hagdorn
 L/Putt 9: A Mathews
 Birdies: M Hull 7 and 15, P Burton 17,
 G Peck 8 and 18.

Another great day's golf with 20 of us teeing off, good to see the travellers back.

(Picture courtesy Norm Hawkins)

Well done to Pat with 45 points, Merv was unlucky with 44 points to be runner up. Oh, just while we are on Merv, his cart driving skills were on display whilst driving off his trailer woops!!! it took four guys to lift it back into place!!!! Well done Merv.

Friday night is getting good crowds for the bowls and barbecue and chook raffle, with one person getting banned from buying any more tickets for winning too much. Hope to see you there this Friday evening and for golf next Sunday.

SUPERIOR LIFESTYLE OPPORTUNITY

Offered by private sale is this superior family residence on 5 acres of natural bushland in the Tingleview Estate, located right in the heart of the Walpole Wilderness Area, but only a stone's throw from the action.

The architecturally designed homestead features a master suite with ensuite and WIR, three other double and twin bedrooms, separate bathroom, open plan living areas of Family room, Breakfast area, formal Dining area and a gourmet kitchen that would delight the most discerning Chef. Separate TV Room and Study complement the interior, while extensive verandahs, patios, BBQ and entertaining area plus a delightful easy care garden finish off the property; well suited to pets and ponies.

Fully air conditioned with separate heating both of which are rarely required due to the temperate

Mediterranean climate the South Coast enjoys.

Walpole townsite is a mere 6kms away and provides all basic retail outlets. It is located on the shores of Walpole and Nornalup Inlets Marine Park, where fishing and sailing are favourite pastimes. Walpole also boasts a Country Club featuring state of the art 18 Hole golf and bowls greens.

The famous living window Valley of the Giants and Tree Top Walk and other scenic spots are a mere whisper away, providing great recreational nature based experiences.
